So Danca
Europe

A catalog has initially the purpose to introduce products instead of to tell their history, but if you privilege us by reading this text, we would like to present something about Só Dança shoes.

To make shoes is an exact science, but it is a real art to develop shoes respecting the feet anatomy and providing to them the ability to perform all kind of dance movements. This is the reason Só Dança researches all materials possible to create shoes that suit the physical forms, free transpiration, heat transference, comfort, freedom and the most important: the emphasis to the movements. Thus, our product becomes almost a second skin, a body extension.

What about the dance aesthetics? With the aim to respect the traditional dance aesthetic into classroom and on stage, our products undergo critical evaluation of great dance artists and professionals who are well-known in Brazil and abroad, such as Chris Matallo - our consultant for Tap Shoes, Claudia Zaccari - ex-Principal Dancer of Teatro Dell'Opera Di Roma, Federico Bosch - ex-dancer and Só Dança Representative for Spain and France, as well as many others. Thereby, our consultant artists and our Technical Directors work together to ensure each product is in accordance with our Só Dança Fit and Care Concept.

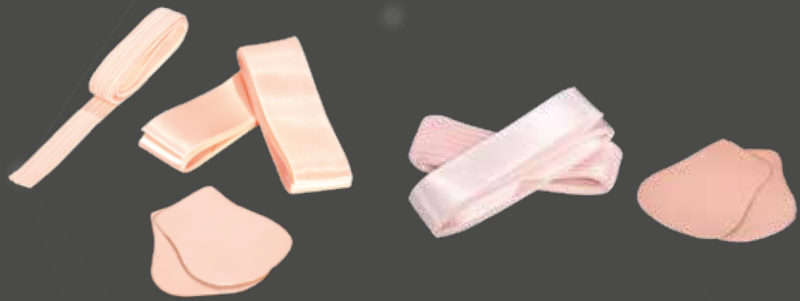

Nowadays much is said about health and health in dance, then shoes which are associated with feet bone deformities, such as bunions, claw toes, etc., are simply unacceptable. That is why Só Dança counts on the experience of our consultant and expert on that subject, Mr. José Luiz Bastos Melo, an ex-dancer, Physiotherapist specialized in dance as well as in treatment and training for dancers, and who is also a designer of shoes and health concepts, to help us developing a kind of shoe for each type of foot. We want you do the best choice you can, it means, we worry your feet enjoy the benefits of the Só Dança Fit and Care Concept.

In this catalog we present some products as well as their differentials developed by Só Dança to suit each style of dance.

We would like you know our passion and dedication is the dance and we are very happy that you have chosen Só Dança.

Tights

Introducing the all new Só Dança Tights!
Ingeniously designed for ultimate comfort, unparalleled support and the softest feel.
Born from conversations with dancers and dance retailers, Só Dança's new line of tights has been made with Double Torsion Yarn.
This provides maximum stretch with the body and ensures a plush feel against the skin.
Knit-in waist band contours with the body and a dyed-to match gusset for perfect color matching.
Wearing is believing!
